**Start your business
for only \$10!**

Selling Avon is fun and a great way to earn money. The start-up fee is only \$10.00! (\$20 for online sign-ups.) This includes all start-up materials and a month supply of books.

You earn 40%* with your first order.

Also, your second, third and fourth orders earn 40%* if you sell at least \$50. Other than that, there are no quotas nor minimums. After your fourth campaign, earnings are based on sales volume. Earn 30% by selling only \$145 in two weeks. Remember Avon products are easy to sell. All you have to do is show the book to friends, family, and co-workers.

Avon is what you want it to be. It can be a full-time lucrative career or a part-time way to pay for a vacation or pay off bills.

Avon provides advertising and sales meetings for training. You are in business for yourself, but not by yourself.

I will be your Unit Leader and am available for sales and management advice. Your success equals my success.

Join now and ask me how you can earn over \$1000 in bonuses. I will be with you every step of the way!
